TEST SUIT IS BROUGHT

For Injunction Against
Business of Foreign
Corporation.

A temporary injunction was granted
by Judge Gear yesterday afternoon
against the Pacific Hardware and Steel
Company, a corporation, and its man-
ager, T. A. Hays, at the suit of the
Territory of Hawaii by Lorrin An-
drews, Attorney General.

Respondent and each and both of
them are commanded by the writ,
which is sought to be made perpetual,
"to cease and quit carrying on busi-
ness within the Territory of Hawaii,
for and on behalf of the Pacific Har-
ware and Steel Company."

The bill of complaint states that the
respondent company is a corporation
formed and existing under the laws
of the State of California, having its
principal place of business in San
Francisco; that the purpose, object
and business of the said Pacific Har-
ware and Steel Company is the selling
and disposing of hardware, steel and
other commodities manufactured from
metals, and is now and for twelve
months last past has been carrying
on the said business within the Ter-
ritory of Hawaii; that for the past
year the business of the corporation
in this Territory has been managed
and conducted by respondent Hays,
and as the subject matter of com-
plaint:

"That said corporation does not in-
vest and use its capital in the Ter-
ritory of Hawaii, nor is it engaged in
the business of foreign or interstate
commerce, nor is now nor has within
twelve months last past been employed
by the Government of the United
States of America, but said corpora-
tion has failed and neglected to do
and perform any and all of the fol-
lowing acts as by law provided and
required of it to be done and per-
formed, that is to say:

FOUNDED IN HONOUR.

No doubt you have seen in the
papers such announcements as this
concerning some medicine or
other: "If, on trial, you write
that this medicine has done you
no good we will refund your
money."—Now, we have never
had reason to speak in that way
concerning the remedy named in
this article. In a trade extend-
ing throughout the world, no-
body has ever complained that
our medicine has failed, or asked
for the return of his money. The
public never grumbles at honest-
ly and skillfully made bread,
or at a medicine which really
and actually does what it was
made to do. The foundations of
WAMPOLE'S PREPARATION
are laid in sincerity and honour,
the knowledge of which on the
part of the people explains its
popularity and success. There is
nothing to disguise or conceal.
It was not dreamed out, or dis-
covered by accident; it was stud-
ied out, on the solid principles
of applied medical science. It is
palatable as honey and contains
all the nutritive and curative
properties of Pure Cod Liver
Oil, extracted by us from fresh
cod livers, combined with the
Compound Syrup of Hypophos-
phites and the Extracts of Malt
and Wild Cherry. This remedy
is praised by all who have em-
ployed it in any of the diseases
it is recommended to relieve and
cure, and is effective from the
first dose. In Anemia, Scrofula,
Nervous and General Debility,
Influenza, La Grippe, and Throat
and Lung Troubles, it is a spe-
cific. Dr. Thos. Hunt Stucky
says: "The continued use of it
in my practice, convinces me
that it is the most palatable,
least nauseating, and best prepa-
ration now on the market." You
can take it with the assur-
ance of getting well. One bottle
proves its intrinsic value. "You
cannot be disappointed in it." Sold
by all chemists everywhere.

GRAND ARMY STIRRED.

Camp Fires Blaze with Joy Over
Escape of General Bedell's
War Orderly from a
Paralytic's Fate.

When Mr. Ross C. Duffy of No. 18
Russell avenue, Nashua, N. H., was sud-
denly prostrated by a paralytic shock,
the deepest concern was felt throughout
the town in which he had been a promi-
nent official.

Grand Army men were especially so-
licitous for in the Civil war Mr. Duffy
had acted as General Bedell's orderly
while serving with Co. F, Third regiment,
New Hampshire Volunteer Infantry, and
after the war he became a member of
General Foster Post, G. A. R., and rose
to be department vice-commander.

The general anxiety felt about him af-
ter his sudden shock in the latter part of
1901, was slightly relieved by the news
that he had come out of a state of un-
consciousness which had lasted for five
days, but as week after week went by
and he made no further progress, one
leg remaining paralyzed, it was con-
cluded that the highly honored veteran
must at best remain a cripple for life.

Suddenly to the surprise and delight
of every one Mr. Duffy appeared on the
street in unmistakable robust health
and was overwhelmed by congratula-
tions and inquiries:

"The regular treatment," said Mr.
Duffy, "didn't do a bit of good, so far
as my paralyzed leg was concerned. My
left leg remained cold and dead, and I
had been too active a man to be con-
tent to be housed up with one dead leg if
there was any possible way to cure it.
I finally stumbled on help by the merest
chance. I got my clue out of a Boston
paper from the story of a war comrade,
John Hunter, of Chico, Cal., who had
been cured of a desperate attack of loco-
motor ataxia by Dr. Williams' Pink Pills.
I sent for a box of the pills at once
and in less than a month after-
ward I, too, became a perfectly well
man as the result of using them and I
have remained so ever since. No more
vertigo, no more trouble with my
stomach, none with my kidneys; in fact,
every organ seems to be doing its proper
work. I certainly have good reason to
be thankful to Dr. Williams' Pink Pills."

These pills are sold by all druggists
throughout the world.

in equity; that said corporation does
not own and possess any property ei-
ther real or personal within the Ter-
ritory of Hawaii."

This action will serve as a test of
the law passed by the Legislature of
1903, intended to protect local tax-
paying merchants from the competi-
tion of agencies of "foreign" concerns
doing an order business and contrib-
uting little or nothing to the support of
the Territorial Government. As the
corporation now sued is very wealthy,
a strong fight is likely to ensue on its
part to defeat the law upon the ground
of contravention of the Inter-State
Commerce laws of the United States.

Respondent's Honolulu directory ad-
dress is: "Pacific Hardware and Steel
Co., T. A. Hays representative, 25-26
Alexander Young Building."

A RECEPTION AT THE CHRISTIAN CHURCH

The reception tendered Rev. Dr. Craig
and Rev. and Mrs. Grinstead at the
Christian church last night drew out a
representative assemblage of people who,
without reference to creed or church af-
filiations, extended a hearty welcome to
the guests of the evening.

A delightful musical and literary
program was rendered during the even-
ing. Rev. A. C. Logan, Rev. Mr. Grin-
stead and Dr. Craig all made felicitous
remarks. Rev. G. L. Pearson was also
present and took part.

The church was elaborately decorated
for the occasion by the ladies of the
Aid Society and their assistants. Potted
palms and ferns disposed with fine ef-
fect, delicate streamers of vine hung
from the chandeliers, an immense bo-
quet of pink asters mingled with delicate
sprays of asparagus rested on a table
in the center of the room, while at the
side was a bank of roses intermingled
with the brilliant blossoms of the snap-
dragon, the whole decorative effect being
heightened by the skillful drapery of gay
colored bunting. Light refreshments,
consisting of cake and fruit punch, were
served during the evening.

After the formal program, the com-
pany broke up into small groups and the
evening closed in pleasant social inter-
course.

THEO. ROOSEVELT CLUB ORGANIZED

The Theodore Roosevelt Club of Ho-
nolulu has been organized with a good
following and the first meeting will

ters on Tuesday evening.

KOOLAUPOKO APPEALS.
An appeal from District Magistrate
E. P. Aikue of Koolaupoko has been
entered in the suit of Maleka Hallele
vs. Frank F. Pahia by the plaintiff,
judgment having been for defendant
with costs. The plaintiff claimed \$100
damages for the defendant's taking
possession, by his agents, of two head
of cattle belong to the plaintiff.

Kimura, a Japanese, has appealed in
two cases from District Magistrate Aikue
of Koolaupoko. He was found guilty
of vagrancy and of larceny in the
second degree, by stealing two
blankets, and sentenced in each case
to imprisonment six months and pay-
ment of costs.
